UNSTARRED QUESTION NO:5280
ANSWERED ON:28.04.2003
DEATH OF LABOURERS AFTER GETTING TRAPPED IN CONVEYOR BELT IN CCL
RAVINDRA KUMAR PANDEY

Will the Minister of LABOUR be pleased to state:

(a) the number of labourers who died due to conveyor belt accidents in Central Coalfields Limited (CCL) during last three years and thereafter;

(b) whether several labourers died in October, 2002 in the Bhurkunda project of CHP under CCL Barka Sayal area after getting trapped in Conveyor Belt;

(c) if so, whether production work came to stand still because of the demand for compensation to the deceased labourers;

(d) if so, the details thereof; and

(e) the reasons for not giving due compensation to dependants of deceased labourers of CCL?

Answer

MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI VIJAY GOEL)

(a): No death due to conveyor belt accidents in CCL during last three years was reported to the Directorate General of Mines Safety.

(b): No, Sir.

(c): Does not arise.

(d): Does not arise.

(e): Does not arise.
